

# ALL-DIGITAL SCHEDULE – NEW YORK CITY

## TIME WARNER CABLE IS GOING ALL DIGITAL

### Make sure all your TVs are ready.

Time Warner Cable is excited to announce we are switching our Basic TV service to an all-digital signal. This conversion will make it possible to deliver all of your channels with even better picture and sound quality, and allow for faster Internet, more HD and more On Demand in the future. To continue to view Basic TV services you will need a Digital Adapter, Digital Converter (cable box) or a TV with a built in Digital Tuner.
